This is a workbook. I can't turn in the assignments because I rented it. I don't think rental should have been a choice on this book. I can't even copy the pages to fill out and turn in because that is copyright infringement. I am not happy about having to buy another book.

I wouldn't rent this book on . The book is fine if you need to read the chapters. But I had homework on pages from the book and many of the pages were missing. I had to print the pages out from another friend's book.

Book is great and in great condition.... I've learned a lot.... Thank you ^• ^

all the work assignment page are either missing or be written in pen already

Just too expensive. Good material for music basic knowledge

Pages were missing that were needed.

There are many pages missing and the book also very old,I don't know these kind of book also can be rent too...I am so dissapointed.

The book was in good condition and had all of its pages. Also was a lot cheaper then buying the book.
