Twelve Easy Tabs For Clawhammer Banjo - Key Of D

Twelve Easy Tabs
for
Clawhammer Banjo

Key of D

David Brooks

Synopsis

Revised: Thanks to reader feedback, I have been able to make the tabs larger and darker to improve their readability. This ebook contains easy-to-play clawhammer banjo tabs for 12 traditional tunes commonly played in old-time jams and dulcimer society gatherings across the U.S. The tunes use Double-C tuning with the pitch raised to the key of D via capo or tuning up. The tunes will introduce the beginning clawhammer player to the many benefits of Double-C tuning. David Brooks arranges tunes and writes tablature that is easy to understand and that helps you unlock the secrets of clawhammer banjo. Brooks has taught at Kentucky Music Week and leads old-time jams in Louisville, KY. Tunes include: Angeline the Baker, Grey Cat on a Tennessee Farm, Liberty Little Liza Jane, Over the Waterfall, Rock the Cradle Joe, Simple Gifts, Soldier's Joy, Southwind, Spotted Pony, Whiskey Before Breakfast, Wildwood Flower. The tabs are viewed best on a large-screen Kindle device, such as the Kindle Fire, Kindle for the iPad, and Kindle for the PC or Mac. On most devices, you can click on the tab image, rotate the device to display the tab in landscape mode, or expand the screen with your fingers to increase its size and readability.

Customer Reviews

There are lots of free tabs on the web, and lots of free videos on youtube to teach basic clawhammer tunes, so why buy this? Well, in short, these are pretty well done tabs. Not super simple versions, not very elaborate versions, just right for teaching the basics of the tune and still enough to actually sound musical. In that sense, they are better the 90% of what I've seen out there. Also they are priced right, and it's convenient to have on my Kindle. I purchased some of the authors other tab e-books awhile back and liked them, so I decided to try this on. I would recommend all of his stuff. I would think a few variations tabbed would be nice, and beware if your tablet (Kindle) isn't at least a 7 inch screen, you may have a time trying to read it. One thing I like about the series, is that instead of making one "big book of tabs" the author made several small ones, and made the price 1.99. This means I can pick and choose which tunes I want.

Great selection of songs and material and easy to follow instructions for either beginner or intermediate player to use to learn

Really like these lesson. Great classic sounds with nice arrangements. I'll most likely buy them all by the end of the month!
