Customer Reviews

The pieces in this book are delightful. Whenever our group includes one in a performance, it is always the favorite piece. The pieces are mostly for alto and tenor, and make a valuable addition to any repertoire. They bring freshness and variety to programs. They are excellent for advancing beginners and intermediate players. They are lovely duets, and include solo themes for soprano. I highly recommend this book .

Difficult for a beginner! Also, appears to be in too high a range for a soprano recorder
