Customer Reviews

This "Lesson Assignment Book" is a great way to stay organized with your child's piano lessons. It can be used with Levels 1 -4 of the "Music for Little Mozarts" series. There are 32 lesson "Assignment" pages that span two pages each (eight months of weekly lessons!). It tracks the lesson number, day, date and time (this is a great feature for parents who need to keep track of when to pay the teacher next!), and when the next lesson is. There is a homework section that uses the Lesson Book, Music Workbook, Discovery Book and Other (great for Recital Book). There is a "New" and "Review" column for each lesson book used. Next is a days of the week tracker for recording practice time in minutes. For teachers, there is space for evaluating that day's lesson and comments. Parents are also given comment space. At the end, there is work space for the child with a printed keyboard and music notation lines. The end of book has space for "My Favorite Pieces"

and "Music I Have Performed." This is an inexpensive way to stay organized while your child learns piano. We have enjoyed it thoroughly!

We use it weekly and wouldn't know what to do without it! A must have with the Music for Little Mozarts workbook, discovery and lesson books.

This book is great, just what our teacher wanted us to have and very useful for lessons and comments for beginning piano lessons each week.
