Very Best Of Nina Simone (Piano/Vocal/Guitar Songbook)

Synopsis

Of all the major singers of the late 20th century, Nina Simone was one of the hardest to label. She recorded extensively in soul, jazz, and pop and was also comfortable with blues, gospel, and Broadway. She has subsequently been labelled as a soul singer in terms of emotion, rather than form. Her repertoire included jazz standards, gospel and spirituals, classical music, folk songs of diverse origin, blues, pop, songs from musicals and opera, African chants as well as her own compositions. Here you can purchase the sheet music to 15 of her best-loved hits from 'My Baby Just Cares For Me' to 'To Be Young, Gifted And Black', arranged for voice and piano with guitar chord symbols. Born on February 21, 1933, in Tryon, North Carolina, Nina Simone received a scholarship to study classical piano at the Juilliard School in New York City, but left early when she ran out of money. She turned her interest to jazz, blues and folk music and released her first album in 1958. In the â 60s, she became identified as the voice of the civil rights and wrote songs about the movement. I

highly recommend this book.

I love Nina and these arrangements are great. Not easy to play but wonderful to listen to. Clever lyrics that speak a truth.

It had all of the songs listed on the photo. They were all of the songs I really wanted! Nice book.
