Customer Reviews

I bought this wonderful music book because I remembered some songs it from my college education over 30 years ago. In particular I was searching for the Samuel Barber song, "Sure on this Shining Night," a song of healing I want to sing in church. The song among other good ones is a gem in this book of songs.

I was delighted by this updated edition, which contains so much more music than my original, which dates from the 1970s. I bought two copies, one for me and one for my accompanist. In addition to containing so much more music, the printing is very clear and the book stays open beautifully.

I like this anthology more than the one I bought in college in 94. It's more extensive, complete, and gives more background than any other Barber Anthology.

If you like Barber than this is a perfect buy. What's not to love about Barber art songs? It's nice to have so many of his pieces in one edition.
