## Customer Reviews

If you like tango music, this music book/cd is excellent. Can dance to these tangos very easily. These tangos are very expressive, have much feeling and are not difficult to play.

Five Stars would've been earned if the CD had contained piano accompanist music, but alas, it did not. The arrangements aren't bad and they certainly are TANGOs.

Typical of the series, an excellent learning tool. Nice selection of tunes, in various keys. Well worth your investment. Buy!
