## Synopsis

HONOR BOUND Escaped convict Lucas Greywolf will do whatever it takes to get back to his reservation home, honor bound to pay last respects to his dying grandfather • even if that means taking Aislinn Andrews hostage. Aislinn is alternately intrigued and infuriated by this misunderstood man whoâ™s made no secret of his desire for her • or of his contempt for her kind, the Anglos who betrayed his community. Yet among his people, Aislinn sees another side to Lucas. Once her captor, he is now the man she desires • the man sheâ™s beginning to love.â | TWO ALONE When a plane crash strands her in the remote reaches of the north, confident businesswoman Rusty Carlson is hurt and alone with a man she fears. But she will surely die without the help of Vietnam vet Cooper Landry. Cooper has a deep-rooted grudge against beautiful women like Rusty, but heâ™ll be damned if heâ™ll let her risk his chance for survival. There are predators in the dense woods and the odds are against the pair. But what Rusty and Cooper are even less prepared for is the discovery that they desire more than just survival.â | âœMs. Brown inventively blends a variety of fantasies into the fabric of her very real romance.â • â • RT Book Reviews

## Customer Reviews

Honor Bound and Two Alone are two oldies but goodies that were written back in the mid eighties when Sandra Brown was still doing your basic romance novels. I have copies of these books individually, but I have read them so many times they are falling apart so I bought this book to have them both in new condition. These are two of my all time favorites that I take out when I want a quick read that I know I'll enjoy, kind of like putting on your favorite pair of old shoes.Honor Bound is

a story about a Native American named Lucas Greywolf who escapes from prison and ends up taking a hostage as he races across the desert, desperate to get to the reservation in time to see his grandfather before he dies. His hostage, Aislinn Andrews is a beautiful blond Anglo and is everything Lucas has learned to despise. As they are forced to spend time together, Aislinn begins to think there is more to Lucas than his hard exterior and defiant attitude. Later when Lucas is finally released from prison, he and Aislinn are both in for a surprise and are forced to rethink everything they thought they knew about each other and what they want for their lives. It's a classic love story about two people who come from different worlds, but slowly learn to break down the barriers and prejudices that have kept them from seeing one other as they truly are, allowing them to let the possibility of love grow. Two Alone is a fast paced story about two strangers involved a small airplane crash in the Canadian wilderness who are stuck together as they fight to survive until they can be rescued and the two couldn't be any more different which keeps things pretty lively.
