Great book! I bought this for a friends daughter who is just starting to play. She's older than the recommended age but she loved it and has been playing constantly since she got the book. The information is clear and easy to follow. I would have enjoyed a book like this when my children were smaller, I think it would be fun for parents and children to use together, or for home schooling. And there's coloring!

Great childrenâ™s book!!! I gave it to my granddaughter, and she absolutely loves it! She received a ukulele for Christmas and lost interest almost immediately. This book has awakened a love for music and for her ukulele. Itâ™s a workbook so she has a lot of fun using it as she continues to progress.I give it my highest recommendation!

Wow! What an intelligent, creative, fun, fun, fun book of entertaining lessons! The ultimate in talent

passing on talent through fun creativity!

Kev is a special one of kind teacher. He engages the student in every fun, dynamic way. A true ukulele treasure. do not miss out on this book.
