Mister O

Synopsis

Just call me Mister O. Because your pleasure is my superpower. Making a woman feel "oh god that's good" is the name of the game, and if a man can't get the job done, he should get the hell out of the bedroom. I'm talking toe-curling, mind-blowing, sheet-grabbing ecstasy. Like I provide every time. I suppose that makes me a superhero of pleasure, and my mission is to always deliver. Sure, I've got an addiction to giving, but step right up, and you'll also find a man with a hot exterior, a kickass job, a razor-sharp wit, and a heart of gold. Yeah, life is good.... And then I'm thrown for a loop when a certain woman asks me to teach her everything about how to win a man. The only problem? She's my best friend's sister, but she's far too tempting to resist - especially when I learn that sweet, sexy Harper has a dirty mind, too, and wants to put it to good use. What could possibly go wrong as I give the woman I've secretly wanted some no-strings-attached lessons in seduction? No one will know, even if we send a few dirty sexts. Okay, a few hundred. Or if the zipper on her dress gets stuck. Not on that! Or if she gives me those f--k-me eyes on the train in front of her whole family. The trouble is the more nights I spend with her in bed, the more days I want to spend with her out of bed. And for the first time ever, I'm not only thinking about how to make a woman cry out in pleasure - I'm thinking about how to keep her in my arms for a long time to come. Looks like the real adventures of Mister Orgasm have only just begun....

So we got a little taste of Spencer's sister, Harper and best friend, Nick in Big Rock and I knew that

they needed a story. And what a story it is! This is non stop fun, sarcasm, banter, sexual tension and chemistry. I was initially not sure Nick could stand up against the precedent set by Spencer, but I was wrong. Nick Hammer is a popular online cartoonist who also has his own animated late night naughty cartoon The Adventures of Mister Orgasm. He's unfiltered, hilarious, and a bit inappropriate. He sees the world in his own way and has such interesting humorous internal monologues coupled with infectious, sarcastic snappy retorts and smart comebacks especially with Harper and Spencer. In his own voice we see his unique sense of humor and dirty thoughts, and are also privy to his little freak outs. We also get to feel his longing, building emotions, vulnerability, and confusion. He is not the man where you would expect, but he easily could be since women throw themselves at him in order to try to harness his super O power. He is confident and sure of his skills, but he has also been the quiet art nerd so understands what it is like to be awkward and a late bloomer. So he is appreciative of what he has achieved so far in his life and his career is the most important part of that. Harper Holiday is his best friend's sister. She is supposed to be OFF LIMITS. She is quick witted, fun, a bit awkward, and mysterious. She is a magician and able to pull of a facade. One encounter has now put her on Nick's hot chick radar and it is killing him to want what he does not think he can have. The two of them cracked me up with their humor and verbal banter. It starts out pretty fast, furious, and fun. They both speak sarcasm as a second language.

So I'm just going to say that if Lauren Blakely writes it, I'll read. Phone book, Food Menu, national billboard, anything. So I sat there waiting. People were posting that they got it. My fingers got itchy. twitchy, you name it, it happened! GIVE IT TO ME!!! GIVE IT TO ME!!!! Then I got the nicest message! SENT!!!! IT'S ABOUT TO GO DOWN!!! From the minute you start this book you are put under his spell of making every woman feel good. His words mesmerize you. I mean it's almost like a dream come true. You want to be that woman that he makes sing with joy. PICK ME!!!!
