30 Christmas Carols With Sheet Music And Fingering For Tin Whistle (Whistle For Kids) (Volume 1)

Synopsis

30 traditional Christmas Carols with sheet music and fingering diagrams for Irish tin whistle. Simple, easy-to-follow arrangements of classic songs that kids will love. Without any prior musical knowledge, you can immediately start playing your first tunes. The tin whistle (sometimes called pennywhistle or simply whistle) is a small 6-holed flute, that in its present form dates from the 19th century. Because of its affordable price and ease of use it is the most common folk instrument in Ireland, and is often the instrument of choice for beginners and children. The tunes in this book, and in the other books of the collection, were chosen and arranged to allow even an absolute beginner to start playing straight away, without any technical knowledge of sheet music or musical theory. Fingering tablatures are provided with every tune; an accompanying audio CD of the tunes in the book is also available, and is even recommended to favour learning by ear. I got this book for my daughter who is learning tin whistle in school as part of music theory and wanted to have some more fun pieces to play. My daughter is 5 and is a bit too young for this but I myself enjoyed playing the tin whistle with these songs. I got the kindle version per the other reviewers complaining how small the book is. With the kindle version it is nice that I would never lose it as it is in my kindle library. Some of the Christmas songs I do not know but the old favorites are all in there :)

My only complaint is that this book is a bit small. I mean the dimensions of the book are something like 7"x9" or so. The problem with that is that the text is small and it is hard to get it to stay open. Other than that, I like it.

I bought a wooden flute at the Bristol Ren Faire last year. This Tin Whistle book also worked GREAT for my wooden flute. :) Very easy to read and play.

this book is not only good for children, but also beginners. Its easy to follow, and some of the songs I have never heard before
