Salvation Row: John Milton, Book 6

Synopsis

John Milton is trying to make amends for a career spent killing for the British Secret Service. He has a burning need to right wrongs - and rewrite his own bloody past. He finds himself in Louisiana, the Big Sleazy, the bayou, and the post-Katrina wreckage of the Gulf Coast with a debt of honor to repay. Isadora Bartholomew, who saved his partner's life, needs his help. Joel Babineaux, a ruthless property magnate, is out to sink the charity she established to help rebuild the Lower Ninth Ward. Just when Milton thinks he has neutralised Babineaux's scheming, a dangerous man from his past takes an unhealthy interest in his present. Claude Boon used to work for the Mossad and might be more than Milton can handle. And then the stakes get even higher.... Salvation Row is the most explosive thriller yet in Mark Dawson's best-selling John Milton series. It's a book no self-respecting suspense fan will want to be without.

To Mark Dawson: All I can say is, "Laissez Le Bon Temps Rouler!" Book 5 in Dawson's series about retired British assassin John Milton May be his most personal book yet. The story opens with a flashback to John Milton on assignment for The Group nine years ago. In 2005, Milton is in New Orleans during Hurricane Katrina and winds up waiting out the storm in the home of an African-American family in the city's impoverished Ninth Ward. There, he witnesses the apocalyptic devastation wrought when the levees break and flood the area. Dawson's description of the devastation is harrowing -- you feel as if you are right there as it is happening. It breaks your heart

to read it, The book then fast forwards to the present day. Milton is back in the United States after his sojourn to Hong Kong and Russia (read Book 4, Ghosts, for that story). As he finishes a 6-month trek across the Northwestern United States, Milton sees a newscast on a cafe television. There, onscreen, is Izzy, the daughter in the family who sheltered him during Katrina 9 years before. Izzy has started a charity that is slowly rebuilding New Orleans' Ninth Ward. But she is fighting an unscrupulous contractor who wants to level the houses she has built and replace them with an upscale shopping mall. With nothing keeping him away, Milton travels to New Orleans to help Izzy (and repay her family's kindness during Katrina). From here, the story takes off like a shot! Izzy is a female David facing the Goliath of the contractor willing to use his money, political clout, and brute force to demolish her dreams for the rebirth of her neighborhood. When Milton steps in everything escalates -- there are threats, kidnappings, murders, even the emergence of an assassin every bit as dangerous as Milton.
