Microeconomics: A Contemporary Introduction

Synopsis

Any suggestions for copywriter or provide generic description of the product to be used for the Internet or non-channel specific applications. NOTE: If you have a book only version for this product, it is imperative that you provide a description that does not include any references to package elements. This very successful book is distinguished by a superior writing style that draws upon common reader experiences to introduce economic concepts, making economic theory more accessible and interesting. "Case Studies" and numerous examples take advantage of readers' intuitive knowledge of economics, building upon real-life situations. Important coverage of the recent economic crisis is included throughout. A fully integrated program of technology enhancements sets this text apart by pairing the book with numerous online multimedia learning tools that have been developed to help the text better serve a wide range of learning styles.

Customer Reviews

Bought this at my local bookstore. It's a great way to learn the material. Not dull at all. Highly recommended.

Good condition just what I expected.

in perfect conditions
