Customer Reviews

It's in very good shape. It's thick and has a lot of songs, poems, and sheet music. It's a fine book overall, but it's missing some songs that I would have loved to see in it. 'Rose of Alabamy' and 'I'm a Good Ol' Rebel' are two of my favorites, and I was sad to see that they weren't included.

If you want to understand how the South viewed itself, its heroes, and its cause, look to the poets, artist, and song writers of the era who gave a voice to the masses. The politicians and partisan fire-eaters, who get most of the press, often fail to bring the human and emotional depth of the people of the Southern Confederacy. If you want to see the soul of this people, this is the book.

I bought this for my husband because he said it was the best book ever. He used to have it but loaned it to a friend who never returned it. He loves it cause it has true civil war hymns in it

Great source for WBTS literature.

Great book
