Michael Connelly CD Collection 1: The Black Echo, The Black Ice (Harry Bosch Series)

Synopsis

The Black Echo For LAPD homicide cop Harry Bosch - hero, maverick, nighthawk - the body in the drainpipe at Mulholland Dam is more than another anonymous statistic. This one is personal. The dead man, Billy Meadows, was a fellow Vietnam "tunnel rat" who fought side by side with him in a nightmare underground war that brought them to the depths of hell. Now, Bosch is about to relive the horror of Nam. From a dangerous maze of blind alleys to a daring criminal heist beneath the city to the torturous link that must be uncovered, his survival instincts will once again be tested to their limit. The Black Ice Narcotics officer Cal Moore's orders were to look into the city's latest drug killing. Instead, he ends up in a motel room with his head in several pieces and a suicide note stuffed in his back pocket. Years ago, Harry Bosch learned the first rule of the good cop: don't look for the facts, but the glue that holds them together. Now, Harry's making some very dangerous connections, starting with one dead cop and leading to a bloody string of murders that winds from Hollywood Boulevard's drug bazaar to the dusty back alleys south of the border and into the center of a complex and lethal game - one in which Harry is the next and likeliest victim.

MC is quite clever in his story telling - have seen more than my share of 'cookie cutter' plots or those with 'gotcha' endings that don't make any sense. Connelly writes a bit too much 'detail' - so the abridged versions are best for me. Really like his style and how he pulls all the pieces together. Wish I could write like that!

Listened to the tape on a long car trip and wanted to keep driving. Black Ice was captivating, thrilling and credible.

Both my husband and I loved this while we were driving

Recently discovered Harry Bosch and became a confirmed Michael Connelly fan. What can I say but these are great stories and it seems that whomever created the character of Harry Callahan was also a Connelly devotee, but I guess everyone already figured that out....

I'm a big Michael Connelly fan. I've read most of his books and I gave these CD's to my wife who listens to them in her car . She has thoroughly enjoyed them too.

I never get tired of listening to M. Connelly's Harry Bosch series. I read and listen to them over and over, cant get enough.

I enjoyed listening to the books. Held my interest for the entire two weeks that i listened to it. Thank you

It was just OK, and the cd were damaged. In both books there were spaces in 1 cd that wouldn't play.
