Titian (Getting To Know The World's Greatest Artists)

Synopsis

Leave it to the 16th-century Renaissance master Titian to switch to oil painting (a new technique at the time) to preserve the frescoes, portraits, and other art he made in Venice's damp climate. Titian loved to experiment, and especially loved using his favorite color--red!

Customer Reviews

This whole series of "Getting to Know" books is fantastic. (There is a "Getting to Know the World's Greatest Composers" series, too. Having both series got me well on my way to a good fine arts curriculum.) Brief, bit very informational and entertaining,as well. Great book.
