Customer Reviews

It's the book I needed for my class, but I received it with what looks to appear pest bites on one of the corners. Doesn't really affect the actual content of the book, and since I'm just renting it, it wasn't a huge problem. It is pretty thick and heavy, which I did not expect, but it's also very sturdy and has no marking, no highlights, which I loved!

Great condition of the book. Good class.
